It is our mission and highest priority to provide Americans in every city with an ethical, affordable, and effective program in obtaining multiple solutions to financial freedom. Our vision is to create the largest and most reputable law firm in the country by providing education, customized client resolutions, and 100% customer service/satisfaction. It is evident, through the financial crisis that is taking place in all aspects of lending, that consumers need a personal advocate to help intervene. 1st American Law Center and Gary Bobel are committed to protecting all Americans from predatory lending and financial distress. It is our confident belief that success ultimately depends on establishing a customer service and relationship oriented environment, that instills the integrity in each team member in the crusade of "Protecting The American Dream."
